

Login

A screenshot of a web browser window displaying a login form. The browser's address bar shows 'localhost:3000/login'. The form is centered on a light blue background and contains the following elements:

- Title:** 'Login' in bold black text.
- Username Field:** A text input field labeled 'Username'.
- Password Field:** A text input field labeled 'Password' with a red eye icon for toggling visibility.
- Login Button:** A blue button with the text 'Login' in white.
- Register Link:** A link that says 'Don't have an account? [Register](#)'.

The browser's taskbar at the bottom shows the system clock as 23:46 on 30-06-2025, along with various application icons and a search bar.

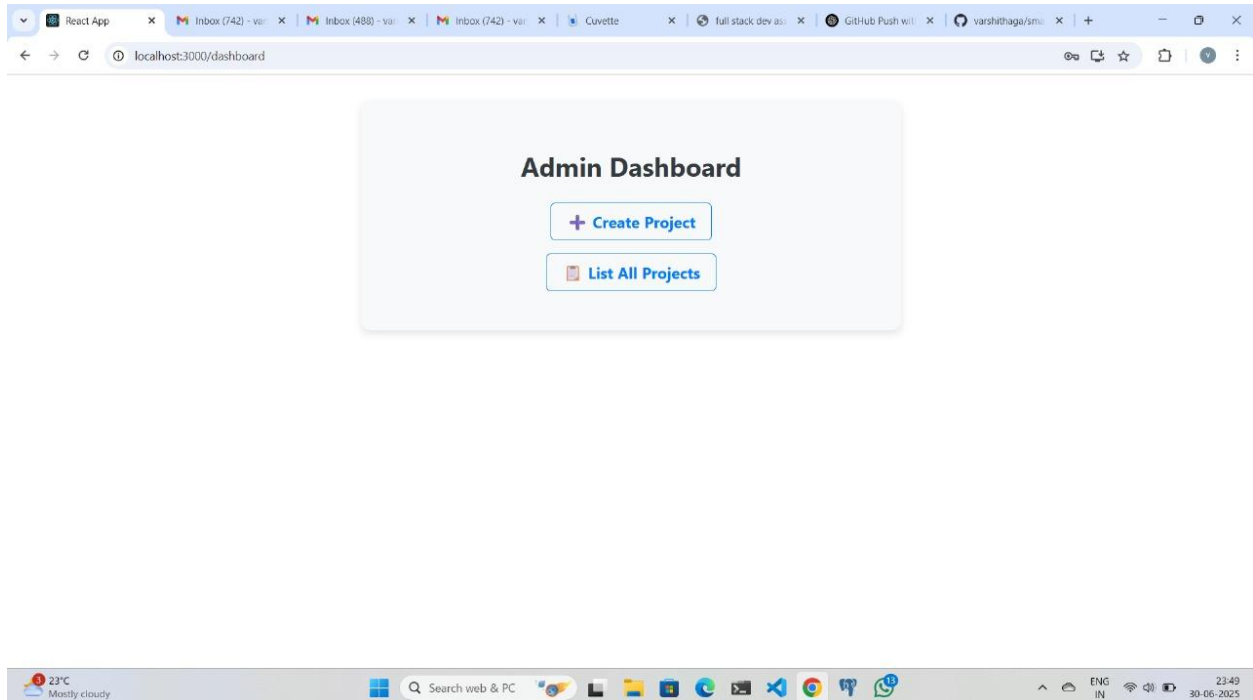

Register

A screenshot of a web browser window displaying a register form. The browser's address bar shows 'localhost:3000/register'. The form is centered on a light blue background and contains the following elements:

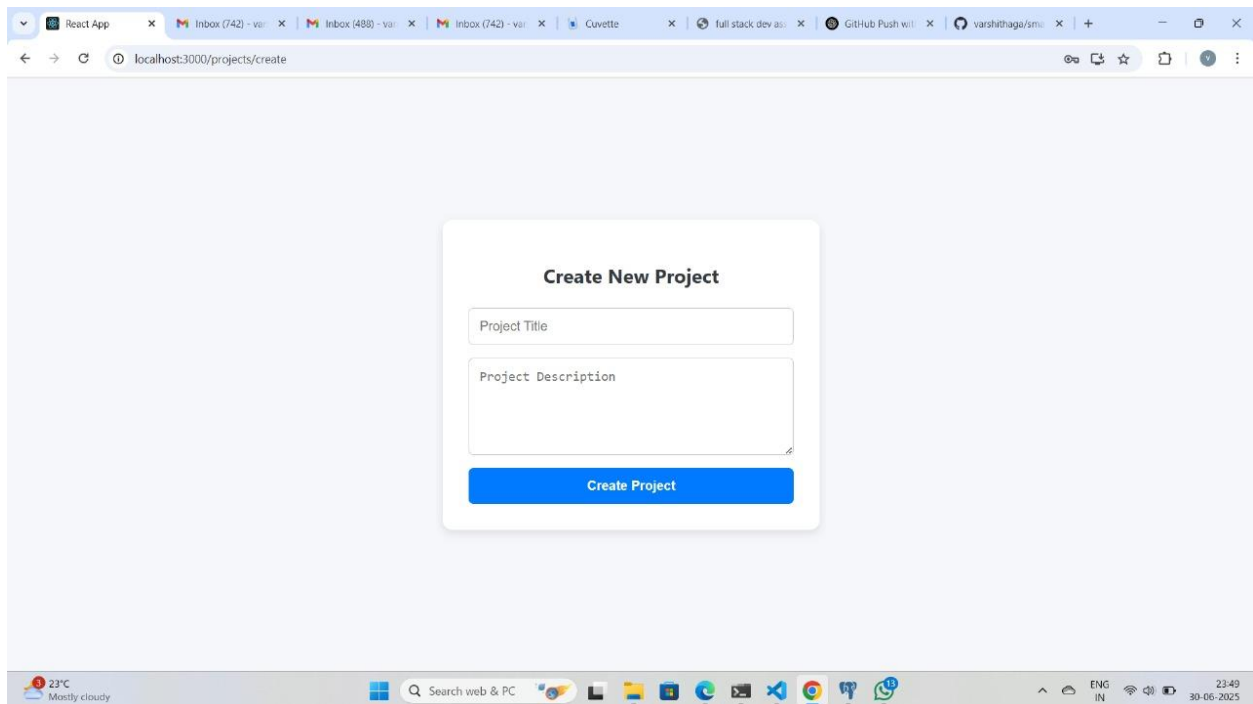

- Title:** 'Register' in bold black text.
- Username Field:** A text input field labeled 'Username'.
- Email Field:** A text input field labeled 'Email'.
- Password Field:** A text input field labeled 'Password'.
- Register Button:** A green button with the text 'Register' in white.
- Login Link:** A link that says 'Already have an account? [Login](#)'.

The browser's taskbar at the bottom shows the system clock as 23:47 on 30-06-2025, along with various application icons and a search bar.

To create Task in each Project

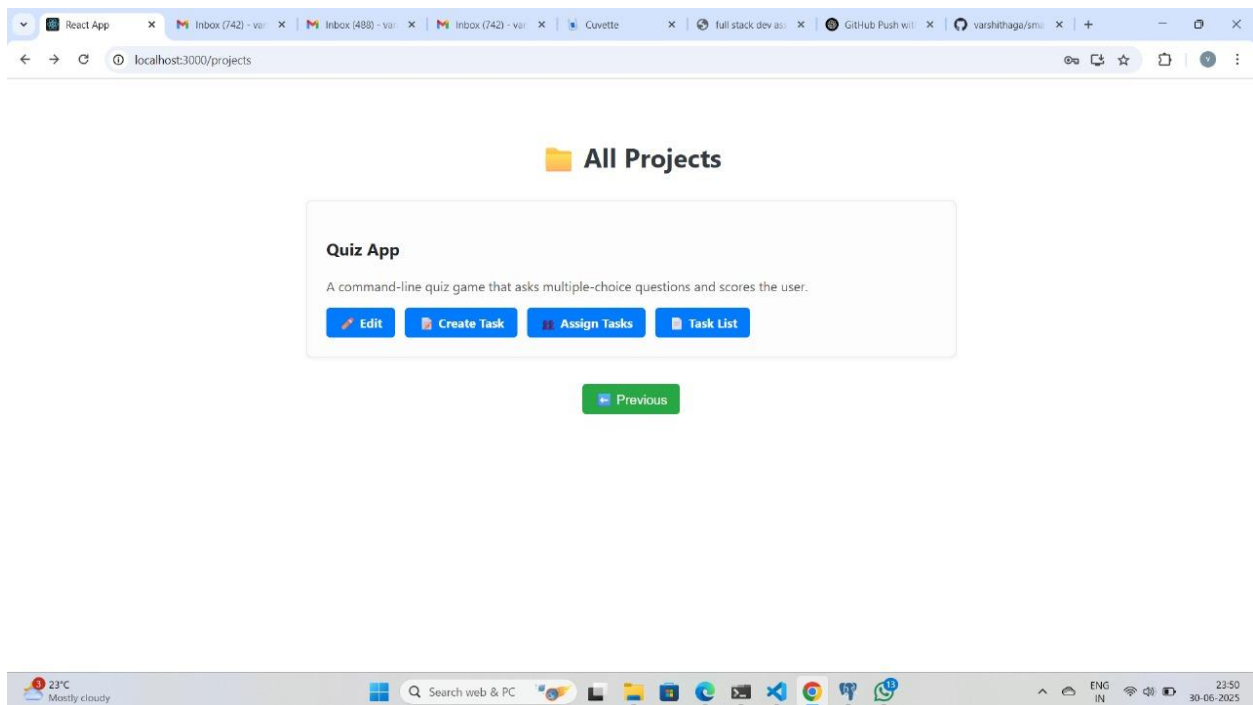

The screenshot shows a web browser window with the address bar displaying `localhost:3000/projects/2/tasks/create`. The page features a central white card titled "Create New Task" with a small icon. The card contains the following fields and controls:

- Task Title:** A text input field.
- Task Description:** A larger text area for detailed notes.
- Status:** A dropdown menu currently set to "Todo".
- Due Date:** A date picker showing the format "dd-mm-yyyy".
- Create Task:** A prominent blue button at the bottom of the form.

The browser's taskbar at the bottom shows the system clock as 23:50 on 30-06-2025, along with weather information (23°C, Mostly cloudy) and various application icons.

Pagination

The screenshot displays a web browser window with the address bar at `localhost:3000/projects`. The page is titled "All Projects" with a folder icon. It features a single project card for "Quiz App" with the following details:

- Project Name:** Quiz App
- Description:** A command-line quiz game that asks multiple-choice questions and scores the user.
- Action Buttons:** A row of four blue buttons: "Edit", "Create Task", "Assign Tasks", and "Task List".

Below the project card is a green button labeled "Previous". The browser's taskbar at the bottom shows the system clock as 23:50 on 30-06-2025, along with weather information (23°C, Mostly cloudy) and various application icons.
